Wang Ming: Literature club fit you well. On one hand, you could discuss about the literary works, on the other hand, you could make more new friends.

Linda: I guess so. I will sign up immediately after I have lunch at the cafeteria.

Wang Ming: Ok. I'm going to play basketball in the playground, and the cafeteria is just on my way there, we can go together. Oh, by the way, there will be Welcome Party for the freshmen tonight. Do you want to go?

Linda: Sure. But I forgot to get the tickets.

Wang Ming: I have got two tickets.

Linda: Really? That's great!

Wang Ming: See you tonight.

Wang Ming: Linda, have you arrived? I'm outside the hall.

Linda: I just finished a lecture and in No. 2 Teaching Building right now. I'll be there soon.

②刚刚 It indicates some action or behavior just happened, but emphasizing the briefness in time. It can only modifying verbs or verbal phrases.

③还可以 It means not so bad or so-so. You can also say 还行or 还不错。
